What's a housekeeping cabin in the woods like, and what do we need to bring?

Our cabins are designed to be your home, be it for a week or mini-week. We have tried to furnish them completely and comfortably. The kitchens are equipped for full cooking possibilities, with stove, oven and microwave. We provide a coffeepot, toaster, cooking and serving utensils plus a fridge with freezer space and 5 Gallon water bottle holders and Dish Network TV (most cabins). Each cabin has a combination of queen, twin and king beds. All bathrooms feature tub/showers (cabin 5 has a step in shower). We've tried to provide comfortable seating with good reading lights in all living rooms and bedrooms. Most cabins feature a bonfire pit (portable pits are available for those who don't), knotty pine interiors, large picture windows or triple patio doors that take advantage of the gorgeous lakeside setting, except #5 and #6 which have screen porches lakeside. Cleanliness is a top priority both inside the cabins and on the grounds. All bedding is provided. **Please bring your own bath towels, beach towels, dish cloths and paper towels.** Our laundry house has two washers and two dryers. **In accordance with MN state law, all buildings are smoke free.**
