What's a housekeeping cabin in the woods like, and what do we need to bring?

Our cabins are designed to be your home, be it for a week or mini-week. We have tried to furnish them completely and comfortably. The kitchens are equipped for full cooking possibilities, with stove, oven and microwave. We provide a coffeepot, toaster, cooking and serving utensils plus a fridge with freezer space and 5 Gallon water bottle holders. Each cabin has a combination of queen, twin and king beds. All bathrooms feature tub/showers (5 and 11 have a step in shower). We've tried to provide comfortable seating with good reading lights in all living rooms and bedrooms. Most cabins feature a bonfire pit (portable pits are available for those who don't), knotty pine interiors, large picture windows or triple patio doors that take advantage of the gorgeous lakeside setting, except #5 and #6 which have screen porches lakeside. Cleanliness is a top priority both inside the cabins and on the grounds. All bedding is provided.

Please bring your own bath towels, beach towels, dish cloths and paper towels. Our laundry house has two washers and two dryers. In accordance with MN state law, all buildings are smoke free.

Our lodge... is a comfortable gathering place for our guests. We have an extensive library appealing to all ages along with board games, puzzles, Bumper pool table and foosball. We stock five-gallon bottles of water for those who prefer bottled water over well water, leeches, nightcrawlers, and gas. Pizzas, pop, beer and ice cream treats are available during lodge hours. Free Wireless internet available in and around the lodge.
Community Bon-Fire Pit.
